If you are visiting with us today, we welcome you. We want you to feel at home. We'd appreciate it if all cell phones could be turned off, so everyone can worship without distraction. We have an unattended nursery upstairs for anyone who needs it.

Today's Speaker: Sean Judge – Cultivating Relationships (*1 Corinthians 3:6-9*)
Sean Judge from Healing Hands International will be bringing the message this morning.

Tonight's Service: Keith Paterson
Keith Paterson will be bringing the message this evening.

Next Sunday's Speaker: Jordon Morris – The Temptation of Christ (*Matthew 4:1-4*)
Jordon Morris, a student at the West Virginia School of Preaching, will be bringing the message next Sunday morning.

Seniors' Class: Seniors' Class will meet Monday, May 6, at 1:00 PM. Bill Nichols will be leading a study of the book of 1 John.

Wednesday Night Bible Study: Join us for our Wednesday night Bible classes every week at 7:30. Mark Pasquarelli is leading the adult class and there are classes for children in elementary through high school.

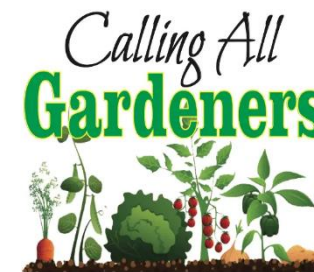

Ladies Class: Ladies' class will **not** be meeting this week. We will resume class next Thursday evening at 7:30. Let Jane Hatfield know if you would like the link for this Zoom class.

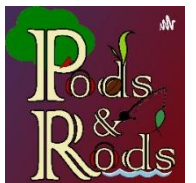

MAGI Project: We are finishing up and collecting the last few things we need before we pack the boxes in May. There are sign-up sheets in the foyer for the last few things we need. We will be having workdays at the building every day from May 13-17, beginning at 10:00 AM. Saturday, May 18, is our big packing day! Please plan to come out and help whenever you are able. There is a lot of work to be done and it is a great opportunity to serve together.

Golf Outing: The church golf outing is scheduled for Saturday, June 1, at The Madison Club. The first tee time will be at 8:00 AM. Let Randy know if you would like to play ASAP so he can get the groups organized.

Planting a Garden?: Marsha Miller was gifted a "vault" of heirloom vegetable seeds last year (and a few herbs and fruits (like melons)), but it is too much for her to use. She is offering seeds up to whoever wants some. If you are interested, reach out to her and she will get you the list of what she has. There are nine types of tomato seeds, six different lettuces, and carrots, squash and cucumbers, but there's also unusual items like alfalfa, fennel, yarrow, and mustard seeds.

Pods & Rods Podcast: This week's topic is "The Writings of Habakkuk." In addition there are over 45 podcasts available for review.

Pittsburgh Church of Christ Weekend: Mark your calendars for June 21-23 for an exciting weekend of events with area Christians. There will be an evening of fellowship on Friday, a Walk4Water on Saturday, and an area worship at Highland Park on Sunday afternoon. For more information and to register for the walk, check out the flyer in the foyer.
